Way Forward Fun Pack™

For Microsoft Windows™

To install the WayForward Fun Pack, follow these instructions:

1. Start Windows.
2. Insert the WayForward Fun Pack disk into drive A.
3. Pull down the File menu from the Program Manager and choose Run.
4. Type *a:install* into the command line box.
5. Press the <enter> key or click on the OK button.
6. When the WayForward Install program appears, select the destination directory and press the <enter> key or click on the OK button.

Install will then copy all the files from the Fun Pack disk onto your hard disk and then create a Fun Pack group in the Program Manager.

NOTE: the files on the disk are in a compressed format, therefore the Install program must be used to copy the files.

To begin playing the games in the Fun Pack:

1. Open the Fun Pack group in the Program Manager.
2. Double-click on the icon of the game you wish to play.
3. Pull down the Help menu to learn how to play the game.
